February 28, 1927.

My dear Mr. Noe:

The New York Special Libraries Association is planning to publish as soon as possible a directory of all special libraries located in the Metropolitan District. Won't you help us by filling in the enclosed questionnaire and returning it immediately to the Chairman of this Group? The more inclusive this is and the sooner it is published, the more useful it will be to all of us. It can't be done without the aid of each library - please do your part!

Very truly yours,

Ruth Savord
